

# Unlocking RingCentral for External Communications with ASC Compliance Recording & Analytics

## Legally Compliant Recording of Media in RingCentral with Recording Insights

Enabling RingCentral for customer interactions in regulated markets

Compliance recording is mandatory for external communication in regulated industries, such as the financial sector, the public sector and healthcare.

Recording Insights allows enhancing your RingCentral experience with compliance recording and analytics to fulfill legislations such as GDPR, MiFID II, Finma and Dodd-Frank, while continuing to use RingCentral in your customer interactions.

### Market-leading Compliance Functionality:

Capturing all media in RingCentral (voice, video, chat, screen & others)

Meet all regulatory compliance requirements

Audit-proof protected against deletion & manipulation

Transcription and translation into 90+ languages

Fast & easy to activate, onboarding < 1 day

AI-based Compliance Engine for automated risk management
