

Unlocking Webex Meetings for Communications in Regulated Markets with Compliance Recording & Analytics

Legally Compliant Recording of Media in Webex Meetings with Neo Product Suite

Making Webex Meetings ready for interactions in regulated markets

Compliance recording is mandatory for communication in regulated industries, such as the financial sector, the public sector, and healthcare.

Market-leading analytics functionality:

Capturing all media in Webex Meetings (voice, video, chat, screen & metadata)

Audit-proof protected against deletion & manipulation

Fast & easy to activate with your existing Neo Suite or use it out of the Neo Cloud

The Neo Suite now allows you to enhance your Webex experience with compliance recording and analytics to fulfill legislations like GDPR, MiFID II, and Dodd-Frank, while continuing to use Webex Meetings in your customer interactions.

The recording of Webex Meetings can be easily added to your Neo Suite. You can also use it via the Neo Cloud Services.

Meet all regulatory compliance requirements

Seamless integration with Recording Insights for later consolidation of calls

Advanced Speech Analytics supporting 90+ languages
